

ROSSGARTH SOCCER SCHOOL

"Youth football is a development process not an instant success".

Each week is the next stage of your footballing development. We follow a professional programme that is tried and tested at the highest level and designed to improve player development. Our first aim is for each player to be competent with the ball at their feet and to have the confidence to express themselves during match play.

To ensure that every child who attends progresses during their time on the programme the coaches will spend an initial period assessing and evaluating their performance to ensure that they are grouped with children of a similar level and age. The coaches then work with each group and child to improve skill levels. Our aim is that all children leave the programme with greater knowledge of the game and enhanced technical skills.

To enrol with our soccer school, please contact your Rossgarth FC Manager to obtain a registration form or alternatively contact Ben Sainsbury on 07842 760224 or email to brssportsacademy@hotmail.co.uk

Note: Rossgarth Soccer Schools are open to all players looking to further their football development, regardless of which club they play for. It is **not** a requirement to be registered for the club to attend the Rossgarth Soccer Schools.
